Introduction to Districts

Glenview 34: 8 Schools, 4300 students, Average age of facilities 58 years.

- Needed space for Full Day KG program and renovation to functionally obsolete spaces in the District
- 20 Years ago passed a building bond referenda to build a new school, but failed the op rate referendum to run it.

Park Ridge 64: 8 Schools, 4500 students, Average age of facilities, 75 years

- Needed space for Full Day KG program
- 25 years ago passed a “operating rate” referendum to ensure programs and staffing were maintained

Do you have the space for full day KG program?

1. Yes.....**Great!**

2. If not..... how will you fund it?

- Referendum - Bonds or Op Rate?
- Fund Balance - How much do you have?
- Sell DSEB Bonds, Debt Certs?
- Project future enrollment - make sure not to sell short!

Referendum Timeline Example (Glenview 34)

What's the Total Cost?

- Facilities
- Staff
- Curriculum (District)

 #iasboAC24

INVEST IN **YOURSELF** IGNITE **OTHERS**

Revenue offsets ?

- Can I charge a fees?
- Does the District want to charge? If so, until when?
- Absorb the cost? Sustainable?

 #iasboAC24

INVEST IN **YOURSELF** IGNITE **OTHERS**

Where is the program housed?

- Neighborhood schools?
- One central location?

 #iasboAC24

INVEST IN **YOURSELF** IGNITE **OTHERS**

Instructional aspect

- How is the program structured?
- Is there a separate schedule for the half day?
- 1st grade teachers' concerns

Politics

- Referendum needed?
- Are there a lot of stay at home parents?
- What else is in the referendum? How does the community feel about the SEL components in the full day schedule?
